

“Aloha ‘Oe”

Arranged for solo ukulele by Brian Johns

So, here’s my arrangement of the classic “Aloha ‘Oe.” This one is in the key of G and for ukulele in re-entrant tuning and likely not unlike the other 5,000 or so versions of same found on the web. This arrangement is directed towards the beginner to intermediate student with a few familiar chord shapes and some single-line activity. In other words, this essentially means that someone playing/practicing for about 6 – 9 months could quite confidently whip this one out at a party. ...OK, probably not a “party” tune but friends gathering ‘round is definitive close-contact music-making. Music is sharing, enjoying and appreciating, after all.
