

"Jolly Old Saint Nicholas"

"Jolly Old Saint Nicholas" is a Christmas song that originated with a poem by Emily Huntington Miller (1833-1913). The song is traditionally performed to a melody which James Lord Pierpont wrote in 1857 for the original version of "Jingle Bells".

Arranged for Solo Ukulele by Brian Johns

So, for this arrangement, I've included chord frames where a standard chord strum is required. However, other bits of chords are used as well. "C" is kinda easy. The melody is colored black and strum parts are red. The right hand thumb could be used throughout.
